Emissions systems - preventative maintenance

**HGV
DIRECT
PARTS**

TOP TIPS: DIESEL PARTICULATE FILTERS

Using Fuel additive products to clean injectors and pumps to improve a cleaner burn and reduce carbon build up, if you have recently replaced your DPF or injectors and NOx sensors, to help reduce premature failure use a fuel system cleaner to clean up the contaminated area you are about to fit a new part. To maintain a clean carbon free system it's advisable to use a treatment in every other fuel tank fill up Wynns DPF regenerator & NOx sensor protector 28090 and Wynns injector cleaner and filter primer 25290 are two key products for preventative maintenance and reduces costly break downs and expensive replacements and down time.

**COMMERCIAL VEHICLE
DPF REGENERATOR & NOX
SENSOR PROTECTOR**

Cleans NOx sensors to reduce AdBlue contamination - 1 Litre

WYN28090

PARTS**

TOP TIPS: ADBLUE

AdBlue maintenance is advisable when vehicle suffer from AdBlue pump and dosing units failing, these can be due to crystallisation in the AdBlue system, Using Wynns Crystal clean & protect 21090 in affected systems has been proven to break down the crystal and keep the system problem free, one bottle simply is added to the AdBlue tank on the vehicle when it's filled up and then works through the system to help clear and prevent further problems.

**COMMERCIAL VEHICLE CRYSTAL
CLEAN & PROTECT**

Avoid costly repairs on AdBlue components by preventing crystallization and keeping the SCR system clean - 500ml

STEP-BY-STEP CHECKLIST

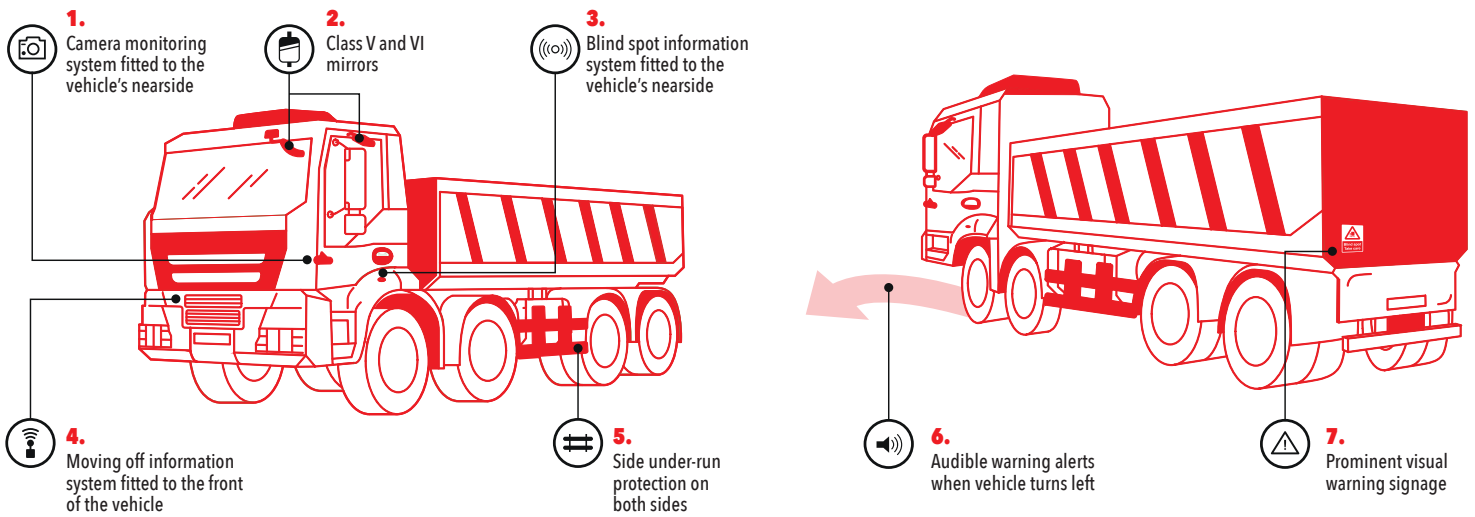

1. Enter your vehicle registration number to check your star rating at: www.tfl.gov.uk/modes/driving/dvs-safety-permit-application/
2. Find out your direct vision star rating. If your vehicle is below three stars, please proceed to see step 3.
3. If your vehicle is rated zero, one or two stars or is unrated, you must ensure the PSS is fitted. You'll need to provide visual evidence and a sensor functionality statement.
4. If your vehicle is rated three, four or five stars, complete your permit application. No additional fitting is required, you are fully compliant.
