The screenshot shows the HGVDirect website interface. At the top, there's a navigation bar with social media links, a login/register prompt, and a sales helpline. Below this is a large search bar with the text 'Search by keyword / part number...'. To the left of the search bar is a 'PART SEARCH' button. Below the search bar is a 'BROWSE BY VEHICLE' dropdown menu. To the left of the main content area is a 'ALL CATEGORIES' sidebar with a list of categories like Air Products, Assortment Boxes, Body Components, Braking, Caravan and Towing, Consumables, Electrical, Fittings & Couplings, Home & Leisure, and More Categories. The main content area is divided into sections for TRUCK PARTS, TRAILER PARTS, BUS / COACH PARTS, and LCV PARTS. Each section lists various vehicle manufacturers and their corresponding parts. At the bottom of the page, there are four service highlights: FREE DELIVERY (Take advantage of Free UK Delivery on orders over £50.00 Ex Vat), CLICK & COLLECT (Click & Collect your parts from any of our Branches), 12 MONTHS PARTS GUARANTEE (All our parts carry a 12 months manufacturers guarantee), and ONLINE SUPPORT (We are on hand to help you with any technical questions).
